ABOUT ME (Portfolio: <https://kyanqueso.github.io/Portfolio/>)

I am Kyan Charles So, a 3rd-year BS Computer Science student at the University of Santo Tomas with a strong interest in Software Engineering, Data Science, Machine Learning, and Artificial Intelligence. I am very passionate about lifelong learning and continuously expanding my technical capabilities through hands-on experience. Moreover, I am currently seeking voluntary internship opportunities where I can contribute meaningfully, deepen my expertise, and to prepare myself as a future technology professional. I am also committed to sharing my knowledge and energy with organizations that are open to supporting motivated individuals who are still early in their careers.
